VITAL STATISTICS

To the Selectmen :

In compliance with an act of the legislature passed June session, 1887, requiring clerks of towns and cities to furnish a transcript of the records of births, marriages and deaths, to the municipal officers for publication in the annual town report, I hereby submit the following.

Respectfully,

GEORGE M. BRIDGMAN, *Town Clerk*

EXPLANATION REGARDING STATISTICS

The following statistics include the births and deaths occurring in the Mary Hitchcock Memorial Hospital during 1920, which do not properly belong to the town. Forty-eight were children born there of mothers from other towns, and forty-five persons from other towns died there. Taking these from the numbers given in the tables, the record for Hanover would be forty-eight births and thirty-two deaths.
